COAST
Comprehensive Operations Analysis

Respondent Information

Summary:

COAST received 330 surveys. Most came through the online survey, with a small number coming from paper surveys available on buses. Respondents were fairly evenly split on whether they are COAST riders or not. A significant number of respondents chose not to share demographic information. Of those who did, the age groups were fairly evenly represented and many more females responded than males.

Respondents by Whether they are COAST Riders:

- Riders: 51%
- Non-Riders: 48%
- No Response: 1%
Respondents by Age:

### Age of Rides who Responded

- Under 18: 1%
- 18 - 24: 7%
- 25 - 34: 11%
- 35 - 44: 12%
- 45 - 54: 10%
- 55 - 65: 6%
- Over 65: 8%
- Did Not Answer: 45%

### Age of non-Riders who Responded

- Under 18: 0%
- 18 - 24: 2%
- 25 - 34: 7%
- 35 - 44: 9%
- 45 - 54: 6%
- 55 - 65: 10%
- Over 65: 6%
- Did Not Answer: 60%
Respondents by Gender:

Gender of Riders who Responded:
- Female: 32%
- Male: 18%
- Other: 1%
- Did Not Answer: 49%

Gender of non-Riders who Responded:
- Female: 24%
- Male: 14%
- Other: 1%
- Did Not Answer: 61%
